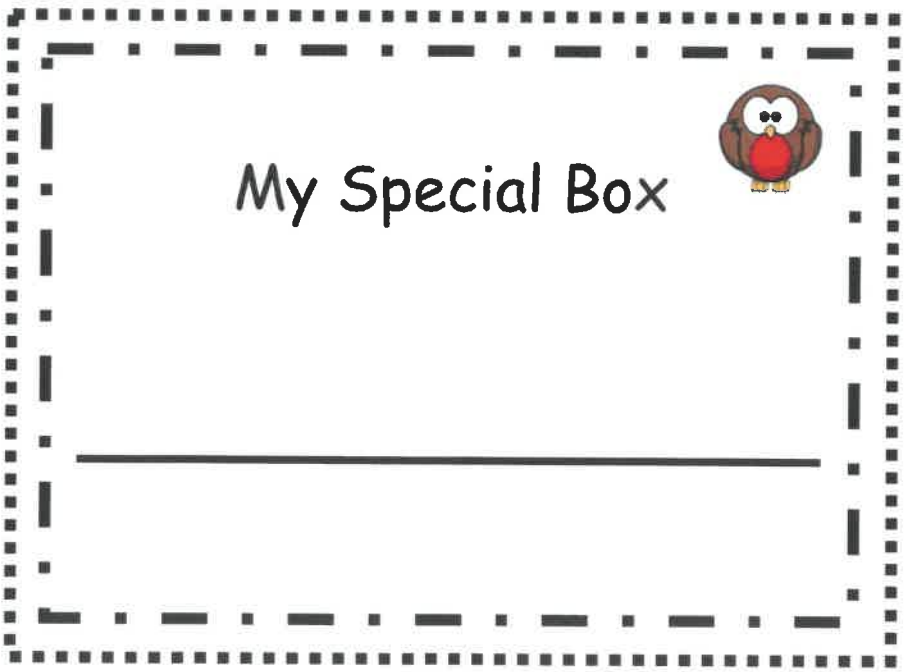
My Special Box

Dear new Robin's children,

I am very excited to get to meet you in September! To help us all get to know each other better, I would love you to put together a special box over the summer holidays. A shoe box is perfect for this! You can decorate the box however you like and add **up to 10** special things you would like to share with me and your new friends in Robin class. You might like to include photos, drawings, tickets from days out, small items you are able to talk about, but try not to put your favourite bedtime toy in your box as these will stay in school for a couple of weeks. You can use the label below to write your name on and attach this to your box so we know it's yours.

I can't wait to meet you in September and see all the wonderful things you find to put in your special box! Have a fantastic summer! ☺

Special boxes are offer a fantastic opportunity for the children to show off their communication and language skills as well as being a great way to get to know the other children in their class. It also helps us to learn more about what the children like so we can tailor activities to suit their interests. I look forward to meeting you in September and hope you have a wonderful summer.

Thank you for your support,


Miss Crowhurst.
