

Hawks Newsletter

Dear Parents,

Firstly, I would like to say welcome back after what was hopefully a lovely Christmas break for everyone. I want to thank you for your kind cards and gifts, they were most appreciated.

The new term began with an exciting, adventurous 'stunning start' as the children grabbed their sword and shield and marched in formation as a Roman soldier. The children produced some imaginative scenarios around the invasion of Britain and the conflicts with the Celts.

The topic will end with an exciting day where children will be invited to dress up as a Roman soldier. More details to follow in due course.

Attendance

Well done to all of the children who maintained 100% attendance in the Autumn Term - brilliant! We would love to spend the next half term with the attendance bear so let's all try our best to achieve this.

Key Dates

The spring term parent consultations will be held on Tuesday 20th February from 5pm and Thursday, 22nd February from 3.30pm. Appointments can be made nearer the time via the School Office.

Bikeability

Children in Year 3 will have the opportunity to take part in a bikeability course where children will learn the essential skills they need to ride their bikes safely. More information to follow later this week.

Homework

Thank you for your support to help your child learn their multiplication/division facts and spellings. They will be tested on Mondays. Spelling and Mathematics homework books should be in your child's bag each day for checking and updating.

The Learning Logs will be given out with a new optional activity sheet. Please bring any completed activities into school as required for marking and return the learning log, regardless of whether activities have been completed, by the date stated on the learning log activity sheet.

Reading

Please ensure your child has their book in school every day. I would encourage you to help the progression of your child's reading by asking them questions about the book regularly.

Curriculum

Please find attached our curriculum map taking us up to the February half term.

I look forward to seeing you at Parent Consultations after the February half term to discuss your child's progress and how you can further support your child at home. If you have any further questions please do not hesitate to come and see me.

Thank you for your support,

Mr Hetherington
