

? How to keep safe at school.

 Miss Heaslip  has  made a  plan to  keep  us  safe  in school.

 Miss Heaslip +  the teachers  are  looking forward to  seeing  you.

 When you are  dropped off  at your  new  classroom  door,  wave goodbye and +

 go inside  quickly.  Adults  from  home  are not  allowed  into the  classroom. This is

 to keep  us  all  safe.

 You may have a  different  teacher  but you will  know  them  from  around the

 school. You will  stay  with  this  teacher  all  day,  everyday.

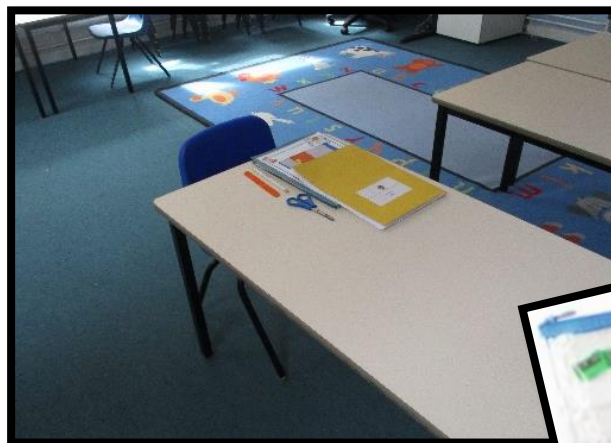

Your teacher will show you to your new desk. Water bottles should be put on
 your desk. Coats should be hung on your chair.

Some children will have a packed lunch from home. Some children will have
 a school packed lunch. Your teacher will show you where to put your home
 packed lunch. School packed lunches will be delivered to your classroom.

Washing your hands is important. You should wash your hands when you go into
 the classroom. This is to keep us all safe.

On your desk, you will have everything you need like pencils and books. It
 is important not to share. This is to keep us all safe.

Learning in your new group will be fun. You will learn about reading,
 writing, maths and PSHE.

At playtime, you should walk to the playground, keeping a gap between you
 + and the person in front.

The playground is split into 5 parts. You should stay on your side of the
 playground. This is to keep us all safe.

After playtime, you should wash your hands. This is to keep us all safe.

At lunchtime, you will wash your hands and then eat at your desk in your
 classroom.
