

Dear parent,

I hope that you and your family are keeping safe during the current lockdown.

Inspiring Music want to share with you a range of music making opportunities that we are providing pupils throughout Central Bedfordshire, helping to support their remote learning.

Starting on **Saturday 16<sup>th</sup> January 2021**, happening weekly thereafter, the **Virtual Music Centre** offers 6 different music sessions which are suitable for various instruments and standards.

**The Recorder Stars** and **Ukulele Magic** sessions are for complete beginners who have either never played an instrument or have not had music lessons individually on an instrument. Students can pick up recorders and ukulele's cheaply (between £5-£20) from online shops.

If you are already learning to play a musical instrument, we have our **Musical Superstars** Session. This is a fantastic way to continue pupils with their musical learning, helping develop a range of musical skills. Please see the Inspiring Music Online poster for full details of all 6 sessions.

There will be 10 sessions throughout the spring term, which in total will cost £20 in total.

You can register your interest by signing up for the relevant session using the [Sign up Link](#)

If you have any questions or require additional support, please contact Ben Bottone at [Ben.Bottone@centralbedfordshire.gov.uk](mailto:Ben.Bottone@centralbedfordshire.gov.uk)

Kind regards,

Inspiring Music
