Dear Parents/carers of school children

## **RE: Exciting Events**

I am delighted to inform you of two exciting events that we will be holding. We very much hope that these events will inspire, motivate and engage our pupils at Houghton Conquest Lower School as well as support their wellbeing at home. As you know our children's wellbeing is a top priority and we want to continue to encourage our children at home. The two events outlined will hopefully encourage and offer our children some well-deserved enjoyment.

### **Mr Motivator Live Session Friday 26<sup>th</sup> February at 9:30am**

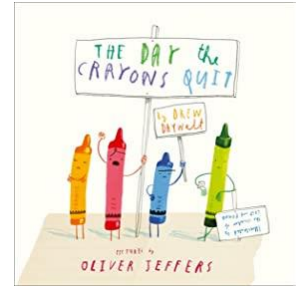

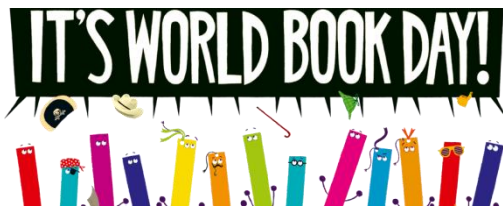

On Friday 26<sup>th</sup> February, at 9.30am, your children have been invited to join the whole school in a session of motivation and exercise with Mr Motivator MBE! I am so excited that we get to be a part of this wonderful session where children can enjoy and be motivated!

All of our neighbouring Lower Schools will also join in the fun, so there will be lots of people on the zoom session. To join this fantastic opportunity, class teachers will be posting the link into a session box on their google classroom suite for you to access on the day. Your children are welcome to wear vibrant, bright sportswear if they so wish to. I look forward to seeing you all on Friday at 9:30am.

## World Book Day 4<sup>th</sup> March

I am pleased to provide you with information about some exciting activities we have planned for World Book Day this year. I am aware that our children love to dress up and they will not all be back in school on this day so I am postponing the dressing up element to later in the summer term when the children have settled back into school.

However, I do still want to celebrate World Book Day on the original date, 4<sup>th</sup> March. On this day we are going to offer your children a range of activities that stem from the story 'The Day the Crayons Quit'. Your child will start their day with this story which will be read by a range of teachers; your class teacher will then set a range of activities inspired by the story.

Later in the afternoon at 1:30pm, children from the whole school are invited to a live story session together, followed by a quiz. Details will be posted on your child's Google Classroom. We would love to see all children, whether they are in school or at home, wearing a **bright coloured** top on **Thursday 4<sup>th</sup> March**, inspired by the crayon characters in the story.

*World Book Day tokens* – please click [here](#) to access your child's £1 book token. These need to be redeemed by Sunday 28<sup>th</sup> March.

Please let your class teacher know if you have any queries or questions about these two events.

Yours sincerely
