

10th May 2021

Census Day Menu Change: Thursday, 20th May 2021

Thursday 20th May is Census Day; this is when the Government take a snapshot of information about our school including the number of school dinners eaten on that day. The number of meals taken determines how much money the school receives to fund the Universal Infant Free School Meals (UFSM).

This is a great opportunity for your child to try a school meal if they do not already have one.

If your child didn't take it up on this day and then later decided to take a UFSM meal/s, the school is liable to cover the cost and will not receive funding. This is a standard in education and highlights the need for as many children as possible to take up a census day meal.

It is vitally important to have as many pupils in Robins, Doves and Owls as possible counted in. With this in mind, we are writing to you directly in the hope that you will support the school on this one day, and accept a school dinner for your child.

We are more than happy for you to bring in a supplementary packed lunch from home.

Please use the reply slip below to advise us of your choice for the change of menu on Census Day. *Please return this slip by **Friday 14th May 2021 at the latest***

Please help make a difference and take up the dinner on the 20th May 2021. Thank you for your support and cooperation. If you need further information or have any questions please pop into the school office.

Kind Regards

Anna Allen
School Business Manager
