

Communication and Language

- Children will continue to be present in a language rich environment to support new vocabulary, taking part in back and forth conversations with adults and children on a daily basis.
- Children will learn and use new vocabulary in different contexts.
- They will ask questions to find out more and check their understanding.
- They will articulate their ideas and thoughts in well-formed sentences by connecting one idea or action to another using a range of connectives.
- Use talk to help work out problems and organise thinking and activities explain how things work and why they might happen.
- Engage in Story time and retell stories, once they have developed a deep familiarity with the text, some as exact repetition and some in their own words.
- Listen and learn rhymes, poems and songs, paying attention to how they sound.
- Join in with Friend on Friday, show and tell And Learning Log.
- Engage in non-fiction books about Dinosaurs and fossils.
- Listen to and talk about selected non-fiction to develop a deep familiarity with new knowledge and vocabulary.

Literacy

- Children will demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary.
- Anticipate (where appropriate) key events in stories.
- Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role play.
- Read simple phrases and sentences made up of words with known letter-sound correspondences and, where necessary, a few exception words.
- Re-read these books to build up their confidence in word reading, their fluency and their understanding and enjoyment.
- Form lower-case and capital letters correctly and spell words by identifying the sounds and then writing the sound with letter/s.
- Write short sentences with words with known letter-sound correspondences using a capital letter and full stop and re-read what they have written to check that it makes sense - letter writing to our dinosaur.

Personal, Social and Emotional Development

- Children will continue to see themselves as a valuable individual - circle time discussions.
- Continue to build constructive and respectful relationships - Friend on Friday and Discovery Time.
- Express their feelings and consider the feelings of others.
- Identify and moderate their own feelings socially and emotionally.
- Show resilience and perseverance in the face of challenge - set a goal for themselves.
- Think about the perspectives of others.
- Know and talk about the different factors that support their overall health and wellbeing.
- Resilience and perseverance in the face of challenge - setting a goal to meet.
- Continue to manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices.

Amazing Adventures (Robins)

Our Amazing Adventures topic will be split into two themes. We will look in depth at facts and information about Dinosaurs. We will learn when and where dinosaurs lived, what they ate, dinosaur names and describe their features. We will discuss how to look after our class dinosaur egg, go on a dinosaur hunt and write letters to our dinosaur. Our Palaeontologists tent will help us explore and make our own fossils, dig for dinosaurs, learn about Mary Anning (fossil hunter) and excavate ice egg dinosaurs. Our second theme of our topic explores the oceans and land/countries of our world. Our pirate ship will support us to explore the globe, maps and introduce land (continents) and our 5 oceans. We will learn about James Cook, the explorer and make our own telescope, compass and pirate hats. We will follow instructions using directional language and North, South, East and West. Robins will also pan for gold, create their own maps and enjoy some pirate stories and songs. We will be learning about the celebration of Holi, St David's Day, St Patrick's Day, Easter and the Season of Spring. We will follow instructions of how to make chocolate crispy cakes and revisit solids and liquids. Robins will be introduced to how to keep our planet safe and tidy. They will discuss the properties of rubbish and learn how to recycle them.

Our Houghton Highlights will look at (1) To understand how to look after our environment - recycling, (2) to create our own school maps using points of interest (3) to make Easter Chocolate Crispy cakes.

Our maths activities, arts and crafts and even our PE lessons are themed around our fully immersive topic to inspire and engage the children. Look at some of the things we will be learning to do.....

Physical Development

- Children will continue to develop their core muscle strength through a range of gross motor activities to achieve a good posture when sitting at a table or sitting on the floor.
- Continue to develop their small motor skills so that they can use a range of tools competently, safely and confidently. Pencils for drawing and writing, paintbrushes, scissors, tweezers, playdough tools, pipettes, threading, cellotape, knives, forks and spoons.
- Continue to develop the foundations of a handwriting style  which is fast, accurate and efficient.
- Develop the overall body strength, co-ordination, balance and agility.
- Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group.
- Revise and refine the fundamental movement skills they have already acquired: rolling, crawling, walking, jumping, running, hopping, skipping, climbing.
- Develop the overall body strength, co-ordination, balance and agility needed to engage successfully with future physical education sessions and other physical disciplines - Multiskills PE lessons.
- Continue to further develop the skills they need to manage the school day successfully: lining up and queuing, fastening their coats, mealtimes and personal hygiene.

Maths

- Children will continue to develop positive attitudes and interests in mathematics.
- Count objects, actions and sounds - subtraction from 10.
- Continue to subitise to 5 and then to 10.
- Continue to link the number symbol (numeral) with its cardinal number value to 10.
- To continue to count beyond 10 up to 20 with counting songs.
- Continue to understand the 'one more than/one less than' relationship between consecutive numbers.
- To continue recalling number bonds for numbers 0-10.
- Compose and decompose shapes so that children recognise a shape can have other shapes within it, just as numbers can.
- Continue, copy and create repeating patterns.

Expressive Arts and Design

- Children will continue to explore different media and materials including free painting, printing, collage and model making, clay fossils, landscape, seascapes (Monet), rubbings and pirate and dinosaur props.
- Create collaboratively, sharing ideas, resources and skills - loose part modelling of pirate ship, dinosaurs and collages.
- Listen attentively, move to and talk about music, expressing their feelings and responses - nursery rhymes, instruments and actions.
- Sing in a group or on their own, increasingly matching the pitch and following the melody - Music Lessons. 
- Develop storylines in their pretend play - Role play dinosaurs, pirates and children's interests.
- Make use of props and materials when role playing characters in narratives and stories - dinosaurs and pirates.

Understanding the World

- Children will explore collections of materials with similar and/or different properties - Recycling.
- Compare and contrast characters from stories, including figures from the past - Mary Anning, James Cook, St Patrick, St David, Easter and Dinosaurs.
- Recognise that people have different beliefs and celebrate special times in different ways - Holi, Easter.
- Understand some important processes and changes in the natural world around them, including the seasons (Spring) and changing states of matter (solids to liquids).
- Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class - dinosaurs and land.
- Understand the past through settings, characters and events encountered in books read in class and storytelling - Dinosaurs.
