

Hawks Summer Newsletter

Dear Parents,

Welcome back! I hope you've all had a lovely Easter break and are feeling refreshed and recharged ready for the new term. Our new topic this term is: The Roman Empire. The curriculum map is attached for you.

Key information

Our PE lessons will be on a **Friday**. Please ensure your child has the **correct PE kit in school**. If you are unsure what they should be wearing, please check our website.

Home Spellings will take place *every Friday*. New homework will also be handed out on this day.

Key events:

Sports Day - Letter provided shortly

Bikeability - 11th May

KS2 cricket (10 children) - 11th May

Class assembly - 26th May

Transition events - more information to follow

Homework

Children in Hawks are expected to complete the following Learning at Home on a weekly basis:

TT Rockstars: at least once a week

Reading at home: daily (5 minutes each time)

Home Spellings: 3 times a week (5 minutes each time)

Learning Log activities (optional)

For more information please see the Parent Information Leaflet.

Reading

Towards this time of the year, if your child has a reading book from home they would like to read, they may do so alongside a book from school. This allows children to be independent learners and choose books that they are interested in. I would encourage you to help the progression of your child's reading by asking them questions about the book regularly.

Values

April - Hope

May - Caring

June - Democracy

July - Forgiveness

School Uniform

Please ensure that your child has appropriate school PE kit and uniform. As it's Summer, children are allowed to wear shorts or summer dresses. Please have a look at our website for details of the essential items for your child's uniform. PE will take place outdoors for this term so please provide clothing suitable for this, jumper and tracksuit bottoms are acceptable.

To order uniform visit
www.schooltrensonline.com

Drinks and Healthy snacks

Children should have a named water bottle in school every day, particularly when it is warm. Please note, children are not allowed juice or flavoured water in school (except for packed lunch).

Attendance:

I would like to thank you all for your efforts with attendance over the last term. It would be super if our attendance was the best in the school so do please try and book appointments outside of school hours. If you would like to provide your child with pocket tissues they are welcome to, however we do have tissues in the class.

Our school attendance target is: 97%

Certificates

Teachers choose a child from their class whom they feel has shone to receive the 'Star of the Week' teacher's award. The child receives a certificate in our Celebration Assembly. The child who has received the most Golden Tickets over the week is also awarded a certificate. They can earn team points for their team by showing their values throughout the school day. At the end of the half-term these are tallied across the school and the winning team will receive a prize! There is also the Headteacher's Award; this is biweekly and the child chosen gets to visit Miss Heaslip and complete a fun activity with her and the other award winners.

We hope you have all the information you need about Hawks Class, but if you have any further questions please do not hesitate to speak to me at the end of the day or arrange a meeting via the office if you would rather discuss a query or concern in private. You are also welcome to email me on Hawks@hcschool.org.uk. Thank you for your support,

Mr Birchall
