Summer Term

Welcome to the Summer Term...

Firstly, welcome back to Doves class, I hope you have had a lovely Easter break and are feeling refreshed and recharged for our new topic **Wild and Wonderful!**

Now that we have reached the Summer Term, it is a great time to reflect on the term we leave behind. I am incredibly proud of the learning the children have undertaken and the progress they have managed to make. All the children are reading with ever increasing confidence and their phonic knowledge is being applied well in their writing process, where enthusiasm for writing is clear to see! Your support and encouragement in this area is crucial and has allowed for all of the children to demonstrate a great ability and enthusiasm for learning. I am very much looking forward to seeing how the class continues to develop over the remainder of the year.

Throughout the remainder of this newsletter, you should find some useful information on our next steps in your child's learning as well as hints and tips on how best to support your child. I'd like to end by reminding you that I am always here to help should you have any questions or concerns. Meetings can be made via a note in the home-school record provided or through the class email address doves@hcschool.org.uk.

Thank you, as always, for your continued support!

Phonics:

Summer Term

Over the course of the academic year Doves have worked incredibly hard to learn all our phase 5 sounds. This half term we will be revising our sounds and preparing for our phonics screening check. If you have any questions about phonics or the phonics screening check, please refer to our phonics guide in Doves Class information booklet or email me directly. In June your child will take part in a Phonics screening check. We have been preparing for this all year with our Phonics sessions and we are now doing this twice a day!

Doves Class Assembly:

Doves will be performing a class assembly in which all parents/carers will be invited. This will be based on our topic 'Wild and Wonderful' you will get to see opportunity to see your child's learning and work. This will be on Thursday 19th June at 9:15.

Learning Logs

There are lots of ideas for learning logs given but if your child wants to do something different or more than this, please use no more than the double page with the topic label. We aren't judging the best handwriting or spelling; we are looking for imaginative ideas expressed by the children through pictures and words. We hope you will enjoy spending time with your child talking about each learning log topic with your child. Just a reminder these are not compulsory, however they do play a huge part in developing the children's confidence, fine motor and communication and language skills.

Show and Tell

For the weeks when there are no Learning Logs in school, children may bring one item in to show their peers and to talk about. This item should not be a toy and should be relevant to our new topic – 'Wild and Wonderful'.

Reading

Doves should read at home three times a week for five minutes each time; please make a short note in your child's reading record to show they have read. Reading books will be changed on Thursdays.

Thank you for your feedback in your child's reading record – this is really helpful!

Spelling

Your child will bring home a 'Home Spellings' book which is to be completed three times per week. Please help your child follow our Look, Cover, Write, Check strategy. Please ensure your child's spelling book is in school every Friday.

Spellings will be set on a Monday and will be collected in on a Friday.

Doves School Trip

We will be going to Woburn Safari Park on the Thursday 12th June. More information on this to come in the next few weeks.
